**SUBJECT: APPLICATION FOR IT SUPPORT & COMMUNICATION OFFICER
POSITION**

Dear Hiring Manager,

I am writing to express my strong interest in the IT Support & Communication Officer position at Addisway Technology Solution PLC. As a Computer Science graduate from Debre Berhan University with a CGPA of 3.47 and an 88% National Exit Exam score, I offer a solid technical foundation combined with excellent interpersonal and presentation skills.

My academic and technical background equips me with a thorough understanding of software applications and system operations. I am well-prepared to deliver technical support, conduct product training, build positive client relationships, and travel to client locations as required. Whether working independently or collaboratively, I am dedicated to maintaining high professional standards and ensuring exceptional customer satisfaction.

Thank you for considering my application. I welcome the opportunity to discuss how my qualifications align with your team's objectives.

Sincerely,

Temesgen Gosaye Reta

TEMESGEN GOSAYE

Computer Science

ABOUT ME

I'm **Temesgen Gosaye Reta** Recently results-driven and detail-oriented Computers Science graduated from Debre Berhan University with a CGPA of **3.47** and an outstanding score of **88%(100)** in the **National Exit Exam**. Equipped with strong technical skills and problem-solving and Adept at working in collaborative environments and eager to apply theoretical knowledge into practical solutions.

To Whom It May Concern

Subject: Recommendation for Mr. Temesgen Gosaye

I am happy to write my strongest recommendation for Mr. Temesgen Gosaye in support of his application for employment or a scholarship to pursue a Master's degree in Computer Science or related emerging fields in computing. As his final year project advisor and course instructor, I have witnessed his exceptional intellectual capabilities, professionalism, and strong interpersonal skills.

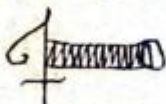

Mr. Temesgen stands out for his remarkable problem-solving skills, academic excellence, and commitment to both research and practical applications in computer science. He consistently achieved top-tier academic performance, ranking among the highest in his class and demonstrating a deep mastery of advanced concepts, including programming, algorithms, artificial intelligence, cybersecurity, and data science, among others. In addition to his academic strengths, Mr. Temesgen led his team's final-year project with outstanding performance, designing innovative solutions to real-world problems.

His technical and theoretical expertise in the field of computer science is complemented by exceptional soft skills, particularly in communication and collaboration. He excels in translating complex ideas to both technical and non-technical audiences and works effectively in team settings, making him a valuable asset in interdisciplinary and collaborative environments too.

Given his strong academic performance, dedication, work ethic, and leadership in research, I am confident that Mr. Temesgen will thrive in any academic or industry setting. I wholeheartedly recommend him for any position or scholarship opportunity and believe he will contribute significantly to your institution or organization.

Should you require any further information, please feel free to contact me using the details provided below.

Sincerely,

Yimer Mohammed (PhD Candidate and Academic Lecturer)

Recommendation Letter

Date: March 12/2025

To Whom It May Concern,

It is intended with great pleasure and conviction that I recommended **Temesgen Gossaye**. He has been associated with Department of computer science, College of computing at Debre Berhan University .I have the opportunity to teach and assess many students who have passed the portal of his department.

Temesgen Gossaye has been a person of very good academic caliber and creative in his capacity. He has an analytical bent of mind, an extraordinary skill and practical knowledge. His maturity and personal integrity is great potential to adopt and work in a multicultural and cooperative environment.

I, thus, strongly recommend **Temesgen Gossaye** for any position in related to computer science industry and I have no doubt he would be an asset to any organization that he joins.

For further information please contact me through mail. I wish all success in his career.

Yours sincerely

Rahel Abiye (Msc)
